Instructions:

1. Write in the ED physician name on every appointment in the designated space.
2. Make sure the patient receives the Patient Instruction Sheet with the appointment clearly written.
3. Keep a copy of the ED face sheet for every appointment.
4. Every morning, registration will pick up this sheet and all face sheet and book the appointments. Registration is reachable at extension 44758
5. Registration will put the dates at the top of these sheets so as to avoid booking on day when there might not be a clinic.
