**What Will
Happen Next?**

Your Doctor in the Emergency Department has made a referral for you to see Dr. Rebecca Pratt or Dr. Falan Sharif This is an outpatient referral, not within Niagara Health. They specialists in Allergy and diseases of the Immune System (These diseases include many conditions like Hives, Eczema, Asthma, Anaphylaxis, and Environmental allergies).

Her Office will contact you directly for an appointment. They will also arrange any further treatment to be forwarded to your family doctor. F you do not hear from her clinic within a few days, please make sure you contact them directly.

**How To Get to
the Clinic?**

Her Niagara office is located at 180 Vine St. S, 3rd floor - Suite 306.
The telephone number is 1-855-210210-0757.

More information can be obtained by visiting www.avivamedical.com including very useful specific condition handouts

Please note that this is a private clinic not associated with Niagara Health

**What you need
to do?**

On the day of your appointment, please bring all your medications (including over the counter and suppliments) and any other relevant information you might have, like names for other doctors taking care of you.

Please make sure you also book your appointment with your family doctor for your other ongoing care.

**Family
Doctors**

Your family doctor is central in your overall healthcare. If you do not have a family doctor, we strongly advise you to get one. You can find help at www.niagaradocs.ca or by calling **Healthcare Connect Ontario at 1-800-445- 1822**. The city of St Catharines provides similar information on their website www.stcatharines.ca or by calling 905.359.6043.
